A senior driver surcharge or extra insurance applies to drivers over the age of 70 years. When applicable senior driver surcharges or extra insurances are obligatory and mostly payable at the time of pick up in the local currency. Senior driver age rules are different and depend on the dedicated terms of the respective car rental company and location. We strongly recommend you check the individual supplier's requirements as additional documents may be also required. In some locations, for instance, senior drivers must provide a medical certificate to confirm that they are medically fit to drive.

We strongly advise you to check individual country or car rental supplier requirements as you may be asked to provide additional documentation or/and an international driving license. If an International Driving License is required, you will need to present both your international driver's license and your domestic license for pick-up. For holders of a UK driving license please visit DVLA for an update on recent changes to the paper counterpart effective from 8th June 2015.
